A world of dry food choices

Bringing Taste & Flavor to the World

At Dryfo, we deliver the finest quality nuts and dried fruits, crafted with care since 1950. Our commitment to excellence, innovation, and sustainability makes us a trusted name globally. We believe in providing nutritious, delicious food choices that support a healthy lifestyle.

 **Dryfo**

Partner with us!

Partnering with Dryfo means joining forces with a reliable company established in 1950, known for its extensive product range and high availability.

We ensure low customer lead times and provide courteous service across the entire supply chain.

Our efficient distribution network and adaptability to new market needs make us a trusted partner.

At Dryfo, we are committed to delivering exceptional quality and meeting the evolving demands of our clients, ensuring mutual growth and success.

About Dryfo

Core Principles

Our mission is to deliver the highest quality dry food products while maintaining rigorous standards of safety and sustainability

Quality

At the heart of everything we do is an unwavering commitment to quality. Our products undergo stringent quality control processes to ensure they meet the highest international standards for a healthy and sustainable diet.

Customer-Centricity

Our customers are at the core of our business. We strive to understand their needs and exceed their expectations through personalized service and flexible solutions.

Innovation

We invest in state-of-the-art technology and continuously improve our processes to stay ahead in the industry and meet the evolving needs of our customers.

Sustainability

We are dedicated to sustainable practices that protect the environment and support the well-being of our communities. Ethical sourcing and responsible production are integral to our operations.

Who we are

Founded in Thessaloniki in 1950, Dryfo Menexopoulos Bros S.A. is a third-generation family business. As a leader in the East European Nut and Dried Fruit Industry, we import from 70+ countries and export to 50+ countries worldwide.

At Dryfo, we blend tradition with modern international trading practices, continuously updating our product range and investing in advanced processing and packaging technology. Our industry expertise, focus on quality, competitive pricing, and core values make us a trusted global partner.

Dryfo Competitive Advantages

About Dryfo

Commitment to Quality

Food Safety Quality Processes

At Dryfo, quality is our promise and our pride. We have been committed to delivering products that meet the highest international standards, including BRCGS, FSSC 22000, and ISO 22000:2018. Our skilled quality control team ensures the safety and authenticity of every product. We utilize the latest technology to conduct rigorous quality checks and continually invest in innovation to exceed customer expectations.

Quality Performance Assessment

We source the finest raw materials from a global network of approved suppliers, ensuring our products are safe, sustainably and ethically obtained. Our strong supplier relationships enable us to maintain consistent quality across our assortment.

The annual assessment of our quality objectives is based on the below KPIs:

- Minimization of non-conforming products.
- Improved performance on behalf of our providers.
- Minimization of customer complaints.

Dryfo Quality Certifications

Our commitment to excellence is validated by our internationally recognized quality certifications.

About Dryfo

Facilities

Dryfo Factory

Dryfo's nuts and dry food factory, located in Kalochori, Thessaloniki is equipped with state-of-the-art processing machinery. This facility handles various operations, including:

- Sorting
- Roasting
- Recleaning
- Oil Roasting
- Flavoring
- Processing
- Packaging

Dryfo Warehouses

With a total area of 16,000 m², Dryfo's warehouse facilities in Thessaloniki and Attica provide enough space for effective logistics and storage operations.

Our warehouses provides optimal conditions for keeping a variety of goods, such as nuts, dried fruits, spices, and more. The processes and the management processes we operate under in our warehouses are certified by international institutions. This ensures the highest quality and freshness of our products by handling and storing them in booths with regulated humidity and temperature levels.

Our network of approved partners and our privately-owned trucks handle transportation, efficient on time delivery.

Building a Better Tomorrow

At Dryfo, Our Business is at the core of our business philosophy. We recognize the importance of protecting our planet and ensuring the well-being of future generations. We are committed to making a positive impact on the environment and the communities we work with by adopting responsible practices across our entire supply chain.

Sustainable Sourcing

Committed to ethical sourcing, prioritizing the planet and community wellbeing, with global partners ensuring sustainable and responsible sourcing of raw materials.

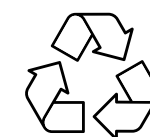

Resource Efficiency

Efforts focus on minimizing environmental impact by optimizing resources, with facilities designed to reduce energy, water, and waste.

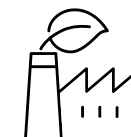

Eco-Friendly Packaging

Dedicated to reducing plastic waste, increasing recyclable and biodegradable materials, and creating packaging that ensures product safety while minimizing environmental impact.

Retail Private Label

Your Brand, Our Expertise

At Dryfo, we create customized private label solutions that align with your brand vision and meet the diverse needs of your customers and market.

With decades of experience and a deep understanding of the global food market and trends, we bring unparalleled expertise in developing and producing high-quality dried fruit private label products, as well as private label dry food mixes, featuring nuts, seeds, spices, and pulses under your brand name.

We Manufacture your Best Sellers

Our private label services encompass the entire successful product development process, starting from the concept and reaching to an end product at shelf.

Our R&D specialists collaborate with your team to create unique flavours for nuts, dried fruits, snacks, cereals, and other products, delivering a distinct taste tailored to your brand's specific needs.

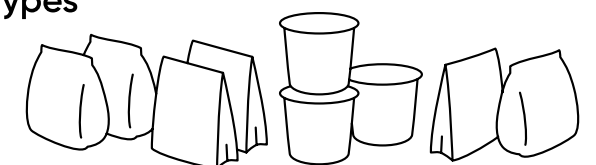

Customization and Flexibility

We provide flexible solutions that cater to businesses of all sizes. Whether you require small batch production or a large-scale manufacturing solution, as a leading private label nut and dry food company, we have the capacity to deliver.

Our customization options include a variety of packaging formats, labeling designs, and product formulations, allowing you to create a distinct product that stands out in the market.

Our Business

Food Service HO.RE.CA.

Added Value Food Service Solutions

At Dryfo, we understand the unique challenges and demands of the food service and HO.RE.CA industry. Our dedicated Food Service division is committed to providing high-quality ingredients and innovative solutions that empower chefs, restaurateurs, and food service professionals to create exceptional dining experiences.

Comprehensive Product Range

Our extensive portfolio includes premium nuts, dried fruits, seeds, spices, and pulses, all carefully selected to meet the diverse needs of the food service sector.

Whether you're crafting gourmet dishes or preparing large-scale catering events, our products deliver consistent quality and flavor that you can rely on.

Expert Support and Partnership

Our dedicated team of food service specialists is here to support your business with expert advice and tailored solutions to meet your market needs. We work closely with you to understand your specific needs and provide the products that will help you succeed and grow your business in the food sector.

Partner with Dryfo and discover how our food service solutions can elevate your culinary offerings. Whether you're running a restaurant, hotel, catering service, or any other food service establishment, we are committed to helping you deliver excellence at every meal.

Custom Processing for the Food Industry

Tailor made services

At Dryfo, we pride ourselves on offering tailored processing services to meet the unique needs of our clients in the food industry. Our team works closely with each client to provide flexible, efficient services that cater to specific product specifications, packaging preferences, and processing requirements, ensuring that every order is perfectly aligned with our customers' needs.

Sorting & Cleaning

Our advanced sorting and cleaning capabilities ensure the highest quality in every batch of nuts, dried fruits, and legumes we process. Using state-of-the-art technology, we can remove impurities and defects, delivering products that meet the strictest standards of quality and safety.

Roasting & Frying

Our roasting process, which includes both oil and dry roasting, enhances the natural taste of nuts and seeds, while maintaining their nutritional value. Additionally, our frying capabilities allow for the perfect crispness in snacks and other dry food products. Each batch is carefully monitored to achieve the ideal roasting or frying level, tailored to our clients' specifications.

Grinding & Packaging

Grinding and packaging services are designed to meet the diverse needs of our clients in the food industry. We also offer a wide range of flexible packaging options, including customized food service bags, branded retail packaging, and high-volume bulk packaging solutions. With our advanced equipment, we ensure that every product is carefully packaged to preserve freshness and quality, ready for distribution. Pasteurization options are available to further enhance product safety and meet specific client requirements.

Our Brands

Dryfo Pro

A dry food brand tailored for Professionals

At Dryfo, we understand the unique demands of chefs, restaurateurs, and food service professionals who strive for excellence in every dish.
